Richard Boand, of Kentucky, was appointed a Clerk in the Railway Service, July 3rd, on the recommendation of Comptroller Durham and others, who seem to have been imposed upon. The citizens of Harrodaburg wrote to Comptroller Durham and to the Postmaster General, stating that Board was under three indictments for forgery and had been three times arrested for getting money under false pretenses. Board had been assigned to duty on the route between Rincon and Benning, N. M., and as soon as these facts came to Postmaster General Vilas' attention he ordered his dismissal. Board was promptly discharged from the service, but since then he has been arrested for setting a money order valued at \$163. He is now in jail at Santa Fe awaiting trial.

The inference, is therefore, that the sparrows have brought the moth.
